meeting one of the following additional qualifications:

- valid certification from the Educational Commission for Foreign Medical
- Graduates (ECFMG), and/or valid full and unrestricted California medical license

B. Selection

Each program is responsible for the selection of their house staff (residents/fellows) and will have a selection committee that will review the credentials of all applicants.

II. Eligibility, Selection and Appointment

Programs that participate in the National Resident Matching Program or another Specialty Match program must adhere to the respective match policies.

III. Appointment

For appointment as a Olive View house officer, trainees must comply with State of California Physician Licensure requirements. Requirements are located on either the California Medical Board website: <https://www.mbc.ca.gov/Licensing/> , or Osteopathic Medical Board website: <https://www.ombc.ca.gov/> (see Medical License Policy).

Initial appointments for residents and fellows are for one year.
